

Appliance (EUT) Model No.	:	Xbox One Media Remote and Keyboard NS-GXBOMRK101 NS-GXBOMRK101-C
------------------------------	---	--

EUT Photo (Remote)

The image displays two views of the Xbox One Media Remote and Keyboard (NS-GXBOMRK101) against a blue background, with a yellow ruler for scale.

The top photograph shows the front view of the device. It features a black plastic body with a white directional pad (D-pad) on the right side. To the left of the D-pad is a 3x3 grid of circular buttons. The device is positioned horizontally, and the ruler indicates its length is approximately 10 inches.

The bottom photograph shows the back view of the device. It features a black plastic body with a full QWERTY keyboard layout. The keyboard includes standard alphanumeric keys, function keys (Shift, Caps, Tab, and a long key), and navigation keys (Back, Forward, and a long key). The device is positioned horizontally, and the ruler indicates its length is approximately 8 inches.
